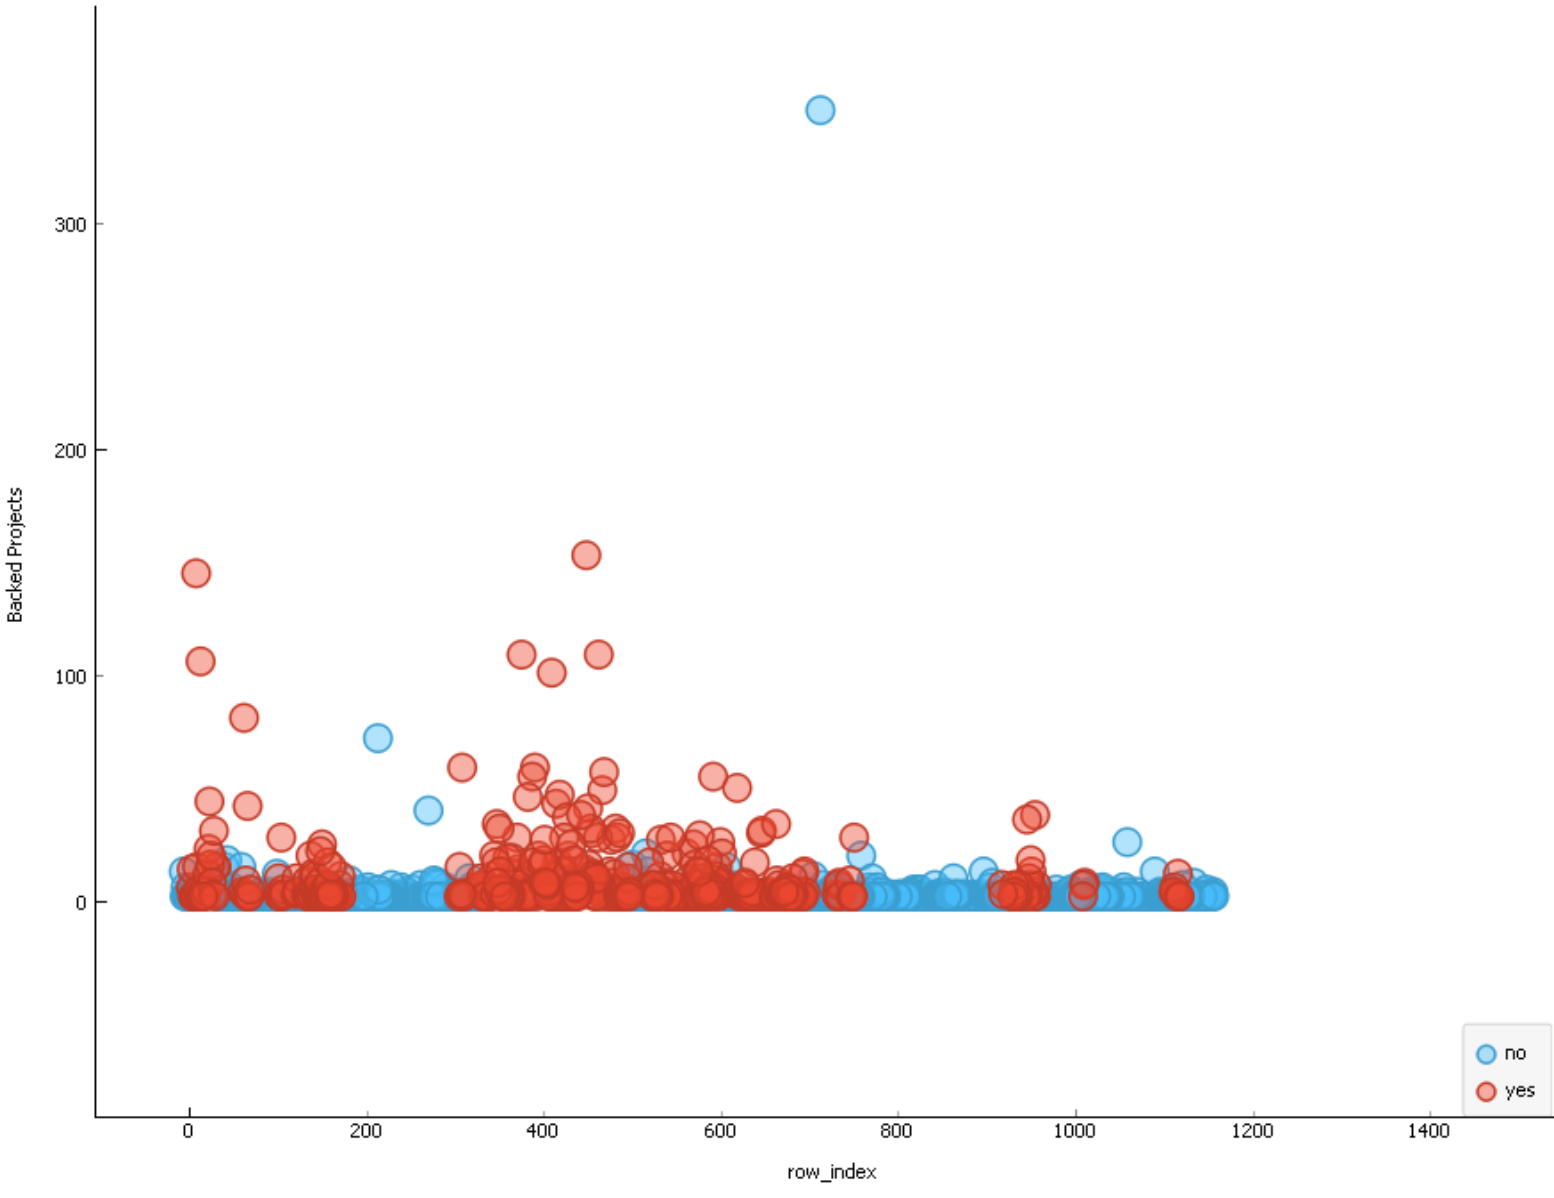
there is nothing special to report about, in most cases we have non normal distribution, exept the Duration, in Duration we got almost normal distribution and also we don't have a missing data.

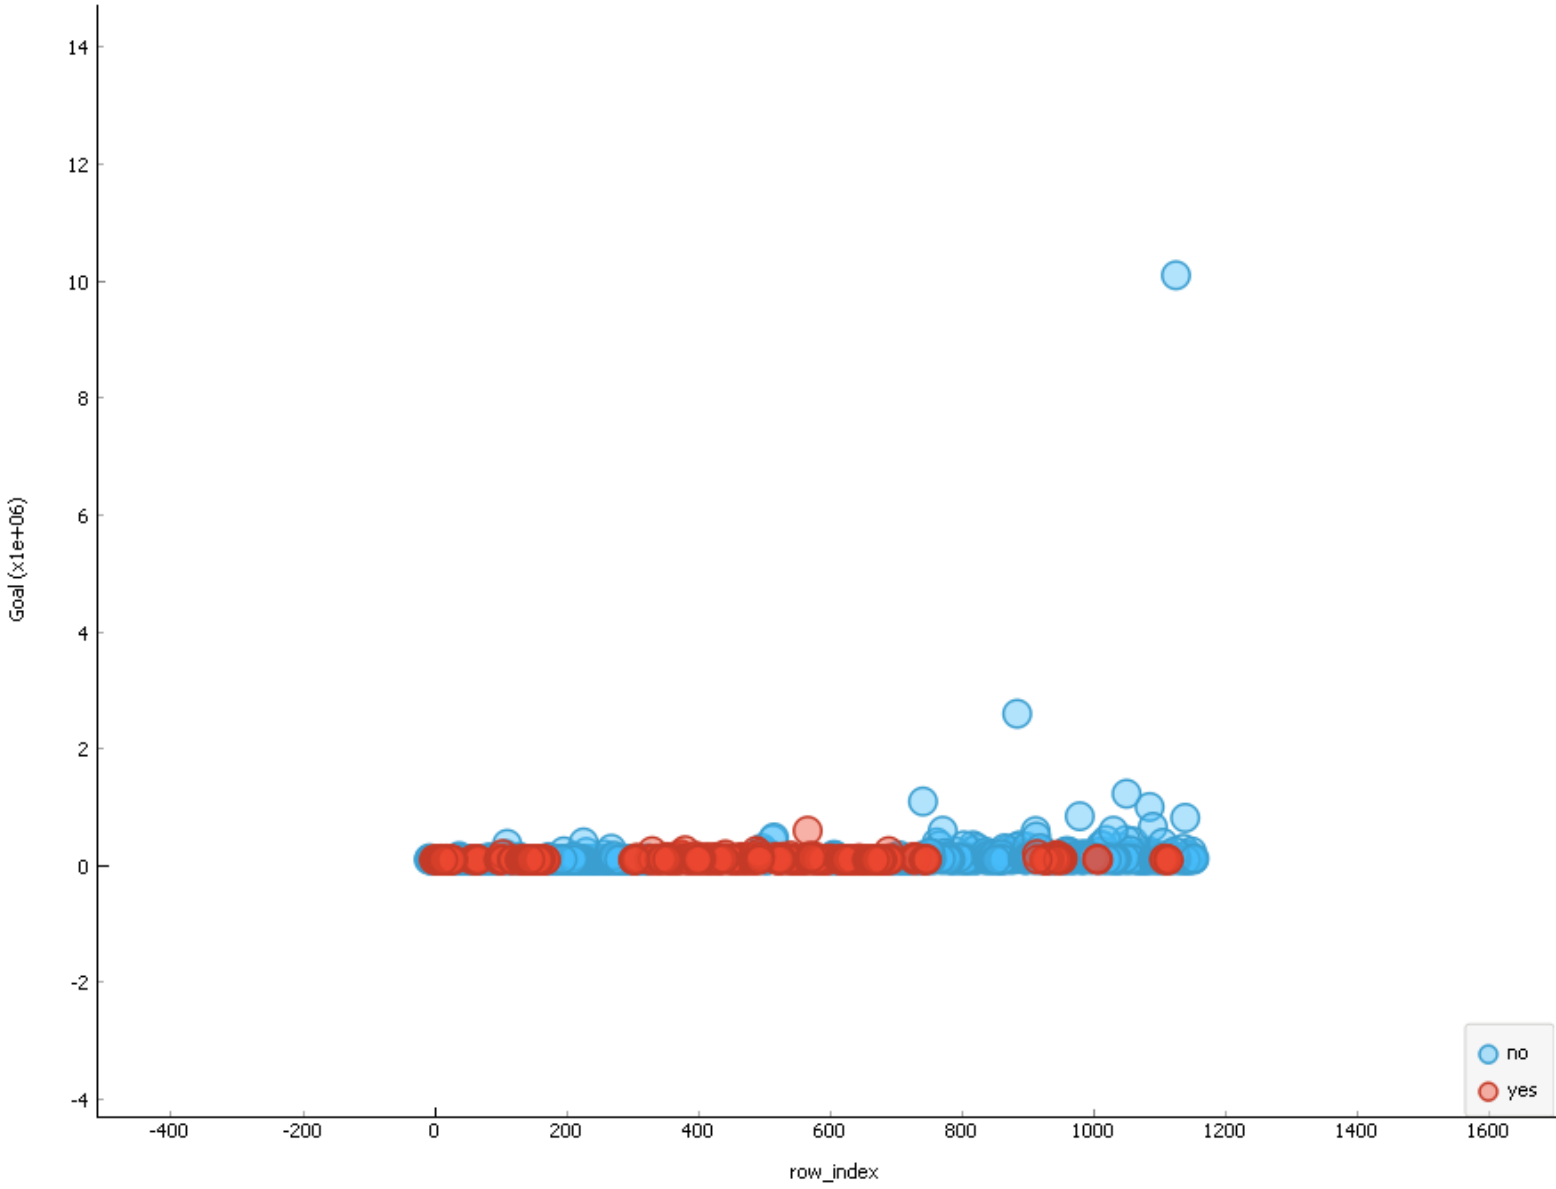
Scatter Plot **Mon Sep 28 20, 20:36:20**



Color: Funded

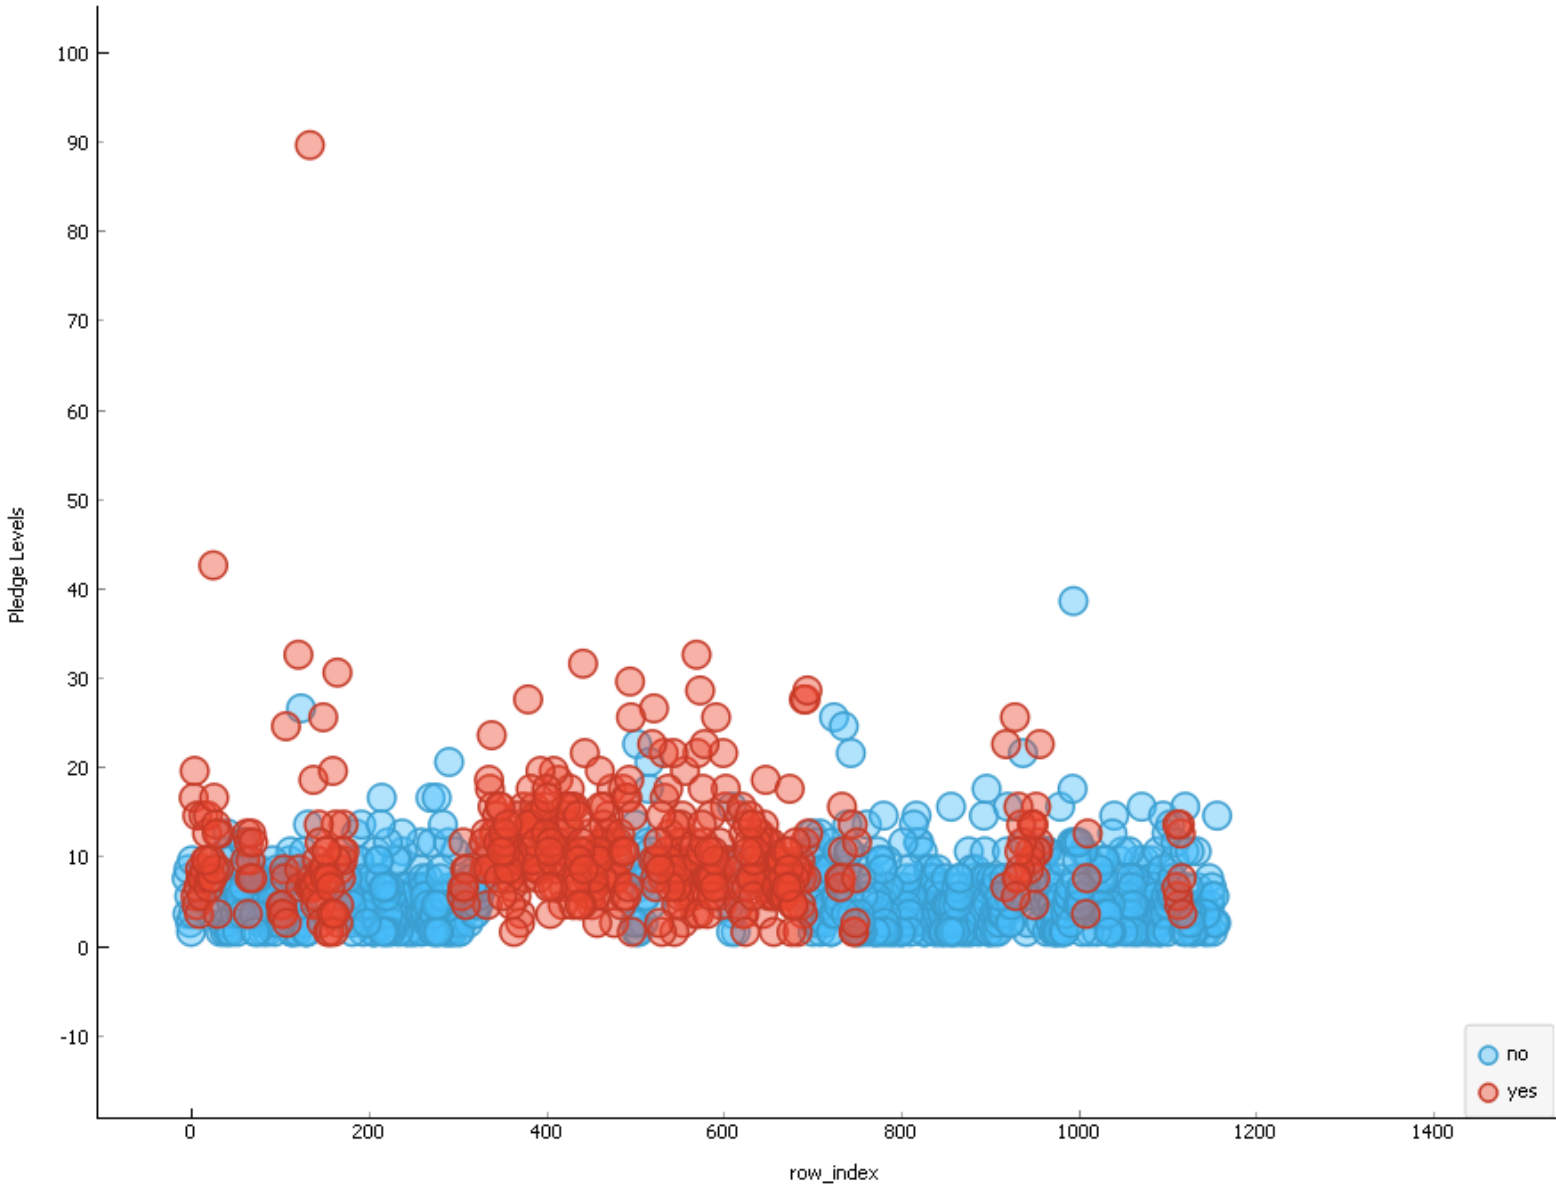
here we have an extreme values.

Scatter Plot Mon Sep 28 20, 20:38:17



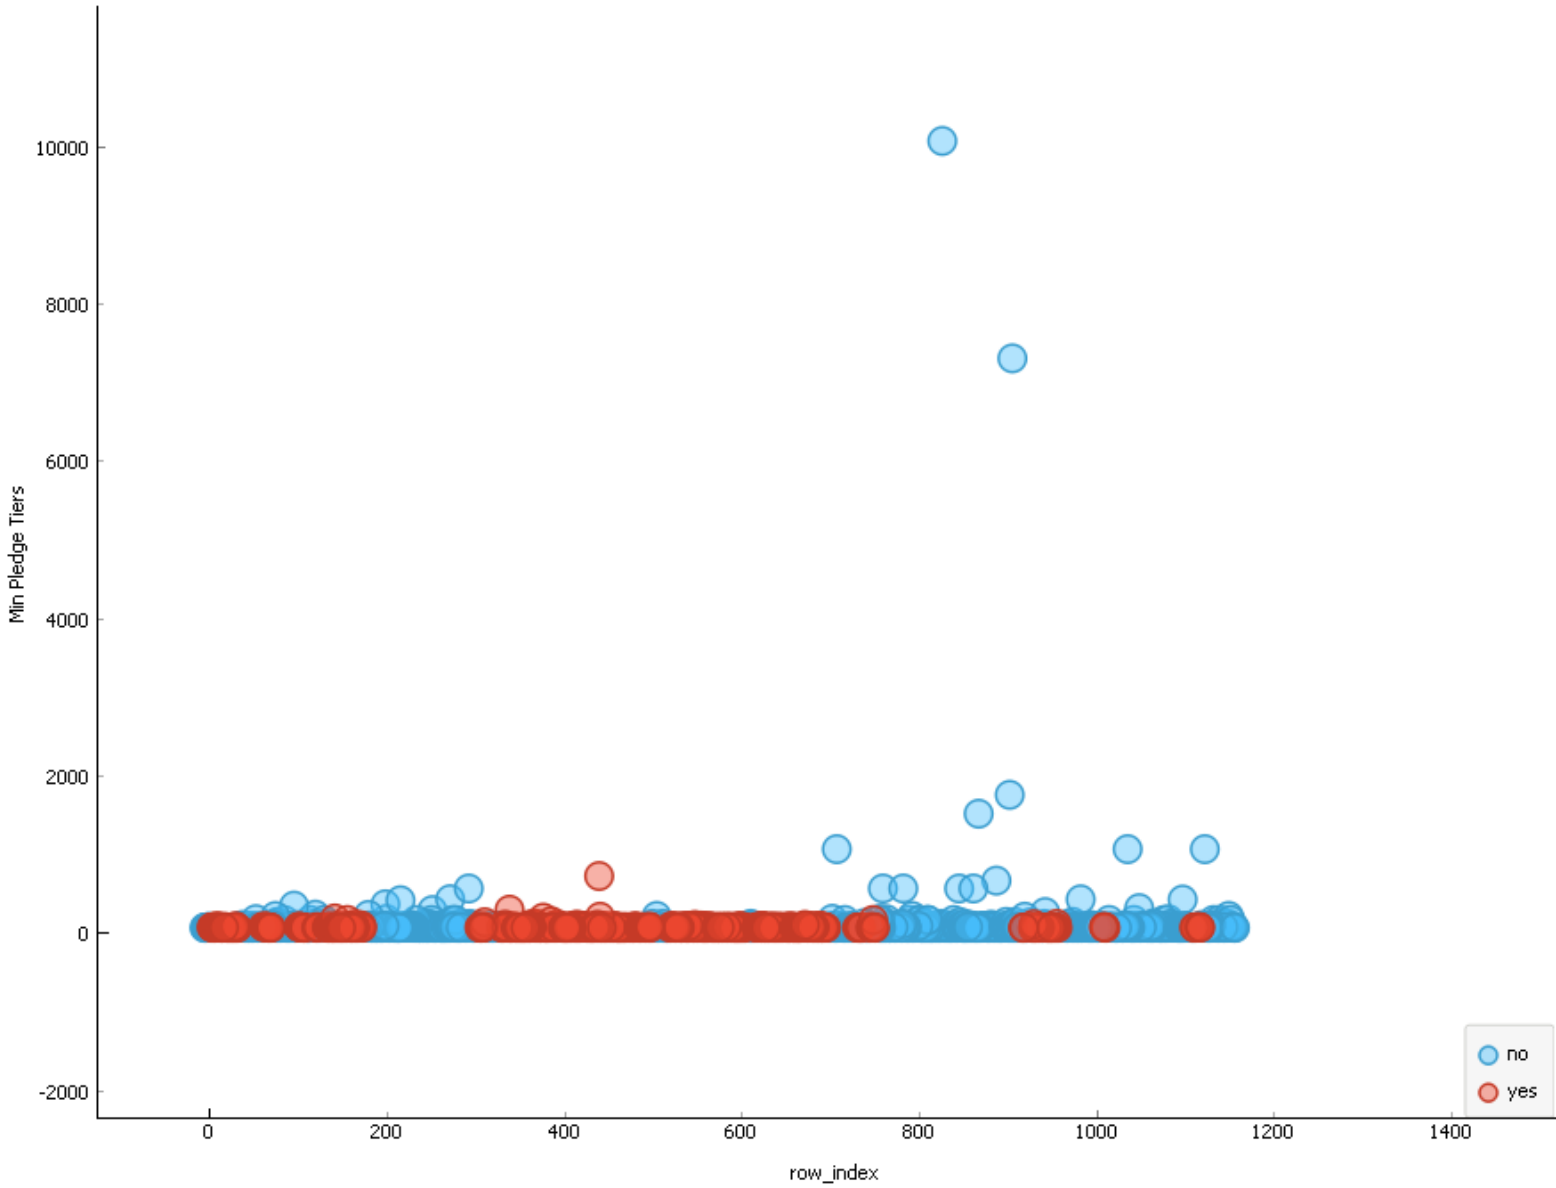
Color: Funded

here we have an extreme values.



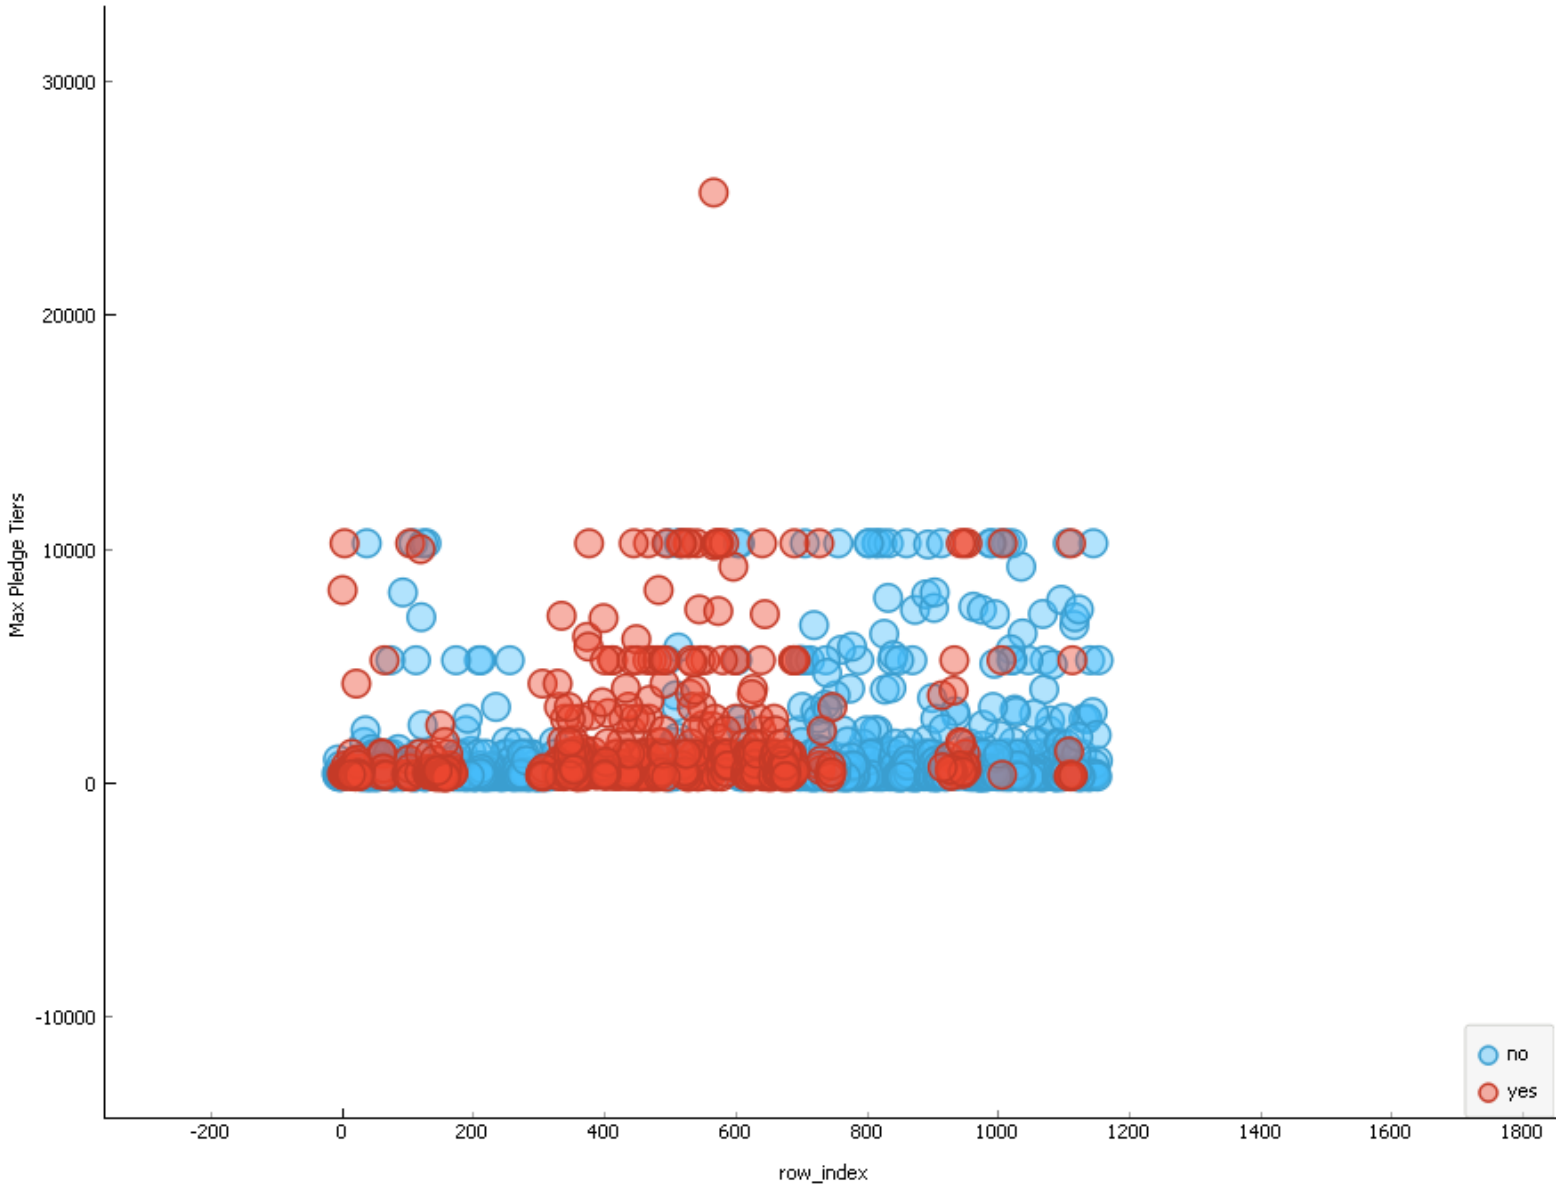
Color: Funded

here we have an extreme values.



Color: Funded

here we have an extreme values.



Color: Funded

here we have an extreme values.
so in conclusion we have extreme values in:
Backed Projects
Goal
